

7. In or around May 2018, I advised Plaintiff via electronic mail that his self-reported blood test results would not meet RCCL's minimum requirements and he would not be able to move forward with the medical clearance process until they improved.

8. I declare under penalty of perjury that the foregoing is true and correct.

Executed:      October 23, 2020  
                     Miami, Florida
